

GOLDEN SHADOWS DOGWOOD

Cornus alternifolia 'Wstackman'

Height: 10-12' **Spread:** 6-8'

Location: Zone 3, part shade

Shape: Horizontal branching, rounded crown

Foliage: Golden yellow with green center,
red-purple in fall

Notes: An outstanding new variegated selection of Pagoda dogwood with bright golden-yellow variegated foliage shaped like a hosta. A big bold gold margin surrounds the emerald green center. New growth is often infused with hints of red. In the spring its graced with attractive white flowers.
