

VIBURNUM

Viburnum

NANNYBERRY

Height: 15-20' **Spread:** 6-10'

Location: Zone 2, sun to shade, wet to dry sites

Shape: Vase-like, upright, arching

Foliage: Glossy green, purplish-red in fall

Notes: This large native shrub has white flowers in the spring and blue-black fruit in the fall which is attractive to birds.

RASPBERRY TART

Height: 4-5' **Spread:** 4-5'

Location: Zone 4, sun to part shade, tolerates harsh conditions

Shape: Rounded, upright

Foliage: Glossy green, raspberry red in fall

Notes: Compact selection of Arrowwood with red tinged new growth and bright red fall color. Metallic blue berries in late summer.

WENTWORTH

Height: 10-12' **Spread:** 10-12'

Location: Zone 2, sun to part shade

Shape: Upright, rounded

Foliage: Green, red in fall

Notes: A handsome hedge valued for its edible, large, bright red fall berries and excellent fall foliage coloring. Attractive lace-cap flowers on a dense, upright form.
