

WILLOW

Salix

DWARF ARCTIC BLUE

Height: 3-5' **Spread:** 3-6'

Location: Zone 4, sun to part shade

Shape: Upright, rounded

Foliage: Fine textured, blue-green, purplish branches

Notes: Dwarf, rounded shrub valued for supple, slender purple stems. Dark green foliage shows blue tint underneath. Popular screen plant, useful for clipped hedges. Tolerates any soil, including moist areas.

FLAMINGO

Height: 6' **Spread:** 4-5'

Location: Zone 4, sun

Shape: Finely branched, spreading

Foliage: Green w/ pink & white speckles

Notes: An improved sport of 'Hakuro Nishiki'. Spectacular deep pink foliage in spring retains its strong color through the growing season. Flamingo produces a wide range of contrasting colors in the garden. This plant even has fall and winter interest with its striking red stems. Regular pruning will promote a denser and bushier plant.
